

LT820
Specifications

Printing Performance
1-4 Lines (7XSmatrix)
1-5 Lines (5XSmatrix)
Maximum speed=450m/min@5XS

Font Matrix
5XS,7XS,9x7,12X9,16X11,19X14,24X17,32X22

Display Size
7-inch touch screen

Operating System
LT-Touch unique System, Multiple Languages

Print Content
English, Chinese, Arabic numbers, Serial number, Bar code, Automatic date, User-defined Logo, Special character and QR code

Print Distance
Font Height: 1-12mm
2mm to 30 mm
Best: 10mm

Data Interface
USB, RS485, Ethernet(Network Version)

Memory Storage
Up to 1000+ Messages

Housing
304 Stainless steel

Protection Level
IP55

Nozzle
60 Microns

Uniballical Length
Super soft, length 3m

Printing Direction
360°all-round printing

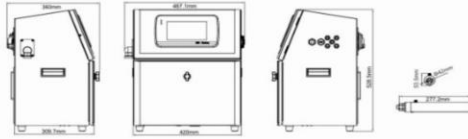

Cartridge Volume
Make-up(750ml)

Temperature/Humidity Range
0-45°C
0-95% Relative Humidity, Non-condensing

Power
AC100-240V, 50/60Hz, 60VA

Dimension
467.1mmX360mmX528.5mm

Net Weight
21KG

LT820 Pigment CIJ
White / Yellow / Red

LT820 Pigment CIJ
White / Yellow / Red

Easy

Linux System, Simple Operation

User-friendly interface, allows quick operation
Easy for messages editing

Unique Ink System for Pigment Printer Standalone Stir System

Special pump for running pigment ink
Anti-compression stainless steel tank
Modular design filter system, easy for maintenance

Friendly

New Message Editor

Support message data drag manually
Precision adjustment by X/Y axis
Support message data drag into DM/QR Code
Support to edit longer message and logos join together
More suitable for pipe industry application

USB Hot Swap Function

USB external expansion, simple and flexible
Support Txt, file database save to USB
More Print Mode Selections
Support record saving when power-off

Support External Data Input I/O port
RS485, USB
Ethernet

Reliable

Stainless Steel Cabinet

Nice Looking & Easy Cleaning
Stainless steel case, stronger anti-interference

New Generation Printhead

Integrated Printhead Design
Easily aligned by a small tool, no need to disassemble, more reliable

Smart

Multi-language System

Support Remote Control
Real-time Monitoring printer status
Up to 14 languages system menu and keyboard
Support editing your own font by font editor
New Generation Logo Editor, for easy logo drawing

New Innovative Printhead

Sapphire Nozzle, Constant Temp Printhead Design
Reduce Nozzle Blockage, Less Cleaning Time
Integrated Printhead Design, Prevent Ink Leaking
Modified Font Drawing, More Beautiful
30mm Print Distance, Perfect & Clear Print
Support Larger & Small Font Setting
